

LED 12W G24Q BASE 26W PL REPLACEMENT

Available in Kelvin Temperatures

3500K

Bright White

4000K

Cool White

- Easy to install - Plug & Play Direct
- Electronic Ballast Compatible or Direct Voltage
- 4-Pin G24Q Base
- UL approved for Damp Locations
- 5 Year Warranty

180° Adjustable Base	 Horizontal Mounted	 Shatterproof	 Damp Location	 Direct
 G24Q Base	 Vertical Mounted	 50,000 HRS	 Instant On	 Electronic Ballast Compatible

LDL

Installation Instructions with Direct Ballast:

Figure 1. Retrofit with One Lamp (G24Q Base)

Due to our continued efforts to improve our products, product specifications are subject to change without notice.

WARNING: Manufacturer of LED PL G24Q Lamps have a limitation of compatibility, not compatible with ALL ballasts, they were tested for compatibility with the above listed electronic ballasts. DO NOT INSTALL LAMPS WITH BALLASTS NOT ON THIS LIST UNTIL COMPATIBILITY IS CONFIRMED WITH OUR TECHNICAL TEAM. Some older ballast versions can cause over heating and damage to lamp and fixture. For Ballasts that do not appear on the list or in case of doubt about compatibility, please contact us at 1-877-255-0004.

*GREENLITE has provided this ballast compatibility chart for your guidance when selecting a ballast and lamp combination. Lamps were tested for compatibility with the above electronic ballasts. Ballasts that do not appear on the chart may still be compatible but have not been tested. Testing has been performed with a stable main supply. The quality of the main, existing installation and wiring, as well as different manufacturer versions of the above ballasts may affect lamp performance. Since no assurance can be provided regarding these factors, it is recommended that you to perform an on-site test prior to installing the LED lamps. Warranty will not be applicable if product is not used as per the GREENLITE Compatible Ballast List.
